Question~
Vote Yes!**

Rationale for BSK endorsements is available in the members-only area of our website, www.jcta.org.

This report can be taken with you when you go to vote.

**General Election
Tuesday, November 3, 2020
Make your voice heard for
Public Education!**

About the recommendation process: JCTA's Better Schools Kentucky Committee, which is comprised of educators, examines candidates' support of public education. This BSK Report is based on multiple factors, that may include incumbents' voting records on public education issues, past advocacy for public education, candidate viability, questionnaires, interviews, and other research. After considering these factors, the committee recommends candidates who are strong advocates for children, teachers, and public education; candidates who will listen to the concerns of classroom educators and who feel, as we do, that educators and public schools are important.

2020 Better Schools Kentucky Committee: Cassie Lyles, Chair; Eric Evans, Vice-chair; Amy Biggs; Dale Warren; Felicia Williams; Katie Cohen; Kelsi Whitman; Laura Herder; Lydia Jones; Lynda Currington; Mary Thurman; Sara Downs; Tammy Berlin
